## Course

**Minthis Hills Golf Club**, the first grass course being built in Cyprus, was completed in April 1994. Located just 20 minutes from Paphos Town, on an elevated position of 550 meters above sea level, ensures cool breezes during the summer months.

Historically, the terrain has been part of the monastery of **Stavros tis Minthis**, which gives an air of timelessness and romance. The 18 hole-course, designed by **Donald Steel**, in two loops of nine, reveals the subtle hand of a man who always allows a course to blend into its natural surroundings.
